

AGU COLLINS CHIDERA

Mechanical & Production Engineer

Phone: 08058842585 | Email: Collinsagu2019@gmail.com

Address: Road 2, Plot 30, PZ Cussons Cooperative Estate, Igbe-Ikorodu, Lagos State, Nigeria

DOB: 10/11/2000 | Sex: Male | Marital Status: Single | Specialization: Industrial Operations & Process Optimization

PROFESSIONAL SUMMARY

Resourceful and result-driven Mechanical and Production Engineering graduate with strong practical experience in industrial operations, production planning, and engineering process optimization. Skilled in lean manufacturing principles, time study, workflow analysis, and waste reduction through hands-on experience with the production team at Lucky Fibres Limited. Demonstrated technical competence in machinery maintenance, utilities, power systems, and safety compliance.

PROFESSIONAL EXPERIENCE

Lucky Fibres Limited | Production Engineer (NYSC)

Ikorodu, Lagos • Jul 2025 - Jun 2026

- Collaborated with the production team to analyze workflow efficiency using time study and lean principles, identifying sources of waste, delays, and process bottlenecks.
- Utilized SAP for tracking and reporting finished goods (FG) production metrics and monitoring raw material consumption to optimize stock utilization.
- Contributed to the optimization of production lines by proposing improvements that enhanced material flow and reduced idle time.

PZ Cussons Nigeria PLC | SIWES Engineering Intern

Ikorodu, Lagos • Jun 2023 - Nov 2023

- Assisted in executing comprehensive preventive maintenance routines across the production floor, utilities section, powerhouse, and forklift fleet to minimize equipment downtime.
- Provided hands-on support in mechanical maintenance, field repairs, and hardware installations while reinforcing plant safety standards.

O. Isaac Mechanic Services | Mechanical Technician Intern

Ikorodu, Lagos • Apr 2021 - Jun 2021

- Assisted in dismantling, troubleshooting, and reassembling critical internal combustion engine components.
- Supported preventive maintenance parameters for automotive systems and optimized workshop organization.

EDUCATION

Enugu State University of Science and Technology (ESUT)

2019 - 2024

Bachelor of Engineering (B.Eng.) in Mechanical and Production Engineering

Second Class Honours (Upper Division) - CGPA 3.93/5.00 | Student Group Leader

Federal Government College, Odogbolu

2013 - 2019

Senior Secondary School Certificate (WAEC)

CERTIFICATIONS

- B.Eng. Mechanical and Production Engineering (CGPA 3.93 out of 5.00)
- National Youth Service Corps (NYSC) Discharge Certificate
- West African Senior School Certificate Examination (WASSCE)

CORE COMPETENCIES

Engineering & Enterprise:	SAP (FG Reporting & Raw Material Consumption), AutoCAD, MATLAB, Process Design, Production Planning
Digital & Tech:	Python, JavaScript, HTML, CSS
Operational:	Lean Manufacturing, Workflow Optimization, Time Studies, Technical Reporting

PROJECTS & ACADEMIC PUBLICATIONS

- Design & Fabrication of a Waste-to-Energy Torrefaction Machine** | *Team Lead* 2024
- Managed a project team of ten (10) members to conceptualize, manufacture, and test a torrefaction system converting plastic and biomass waste into viable alternative fuel.
 - **Co-Author** - *International Journal of Mechanical and Civil Engineering*: "Development and Performance Evaluation of a Plastic and Biomass Torrefaction Machine." Ani, O. I., Agu, C. C., et al. (2024), ISSN: 2992-2461, Vol 7(02).

ACHIEVEMENTS & ACTIVITIES

- **Robotics Mentorship:** Coached a regional student group to a 2nd-place finish at the Nigeria National First Lego League Robotics Competition held in Abuja (2019).
- **Interests:** Logical puzzles, mechanical diagnostics, physical fitness, and hiking.
